

Dear Friend,

It's been 75 years since the first Ives Pool swimmer took the plunge. Since then, people like you have created a vibrant pool community, a welcoming place for fun, fitness and friendship.

The pool is more popular than ever, with more lap swimmers, master's swimmers, swim students, and aqua aerobics and aqua therapy enthusiasts. With the increase in pool attendance comes needed facility improvements.

*In an effort to fund facility improvements and connect community members like you to the pool, we hope you will participate in our **Friends of Ives Pool Honor Wall Campaign**. Our target fundraising goal is \$50,000.*

Here's how it works: We've teamed up with local business Glassfusion and Pottery Too! to create a tile mural along the side entrance to the pool — the **Friends of Ives Pool Honor Wall**. For gifts of \$100, you can have your name listed on a tile along with others. For gifts of \$250, you get a 4"x 4" tile and for \$500 a 6"x 6" tile — both with the option of painting it yourself or having your name painted on it.

In the coming year, with the help of the City of Sebastopol, we will be bringing our facilities up to ADA standards with handicap appropriate benches and showers in the locker rooms and wheelchair accessible parking.

While we're making the ADA improvements, we would also like to make additional upgrades which are not funded by the City. Your gift will help make this possible.

Whether you're here year-round or only when temperatures soar, I know you appreciate having a clean, well-managed and affordable pool, close to home.

As you consider your year-end giving, please show your support for your local pool and have your name on our Honor Wall for generations to come.

Thank you for your support!

In gratitude,
